**IMPORTANT INFORMATION LEAKED!**

FINGERS CLEAN, WHITE TEETH  
FINGERS DIRTY, PEACE IN TEETH  
WATERWORLD HAS APPROACHED  
BED WET, URINE, BLOOD  
PEACE IN TEETH

I am honored, It is such an honor, you wish to speak to me, you wish to share with me, you come to me, you

You talk to me  
and I  
cannot listen.

I have something on my mind, stuck in my head, I have something stuck in between my teeth  
ripping, tearing, cutting  
annoying, distracting.

It is a problem  
and it can be solved.

It requires an action  
you would be disturbed.

I will now distract you  
and I am so sorry for that  
please never stop  
confiding  
in me.

---

Fingers discrete, diving into a pocket, unzipping the zipped, reaching with fingers  
(thumb and index)

material so familiar, rubber, plastic, hard but flexible  
white, I know it is  
from memory I know it is, not from looking at it, I never look at it.  
Placed between two fingers  
placed between two teeth  
immediate relief  
tic, you would think  
I don't mind  
please continue speaking  
please.

---

I have one purpose, one sole purpose in life  
that is to remove the piece of nut  
stuck between my teeth  
ripping, tearing, cutting  
annoying, distracting  
forcing my tongue in its direction  
CONSTANTLY  
tic, you would think  
this grin, this odd gesture, this grimace  
this movement of a throat extending, a tongue in throat  
tic, you would think  
this movement, a consequence of the ever present chunk  
of cashew  
digging deeper and deeper  
ripping, tearing, cutting,  
annoying, distracting  
rather an empty hole than one of cashew.

I will say it now  
only now  
and there is no chance in life that I will ever admit it again:  
peace in teeth is my biggest wish  
peace on earth comes in second to this.

---

I love listening to you, I take pride in your wish to share with me, confide in me, come to me, share with me, come to me, come now,

do not take notice  
I so deeply wish you will not notice  
as i place the stick  
that white rubber stick  
as I place the toothpick  
between my teeth  
for immediate relief  
so good  
cashew removed  
do not take notice  
but if you do  
do not take it as an insult  
take is as a tic  
but most preferably  
notice no tic  
notice no white stick.
