

COM-ODDITIES
(haiku)

Everyone should try it
take a dump in public space
makes you more relaxed

I watch the movie
blond pale girl with cut wrist, blood
motion picture end

My girl, she is ill
rather diseased actually
the world's greatest loss

Let us sweat some more
keep dancing till the world ends
two thousand and twelve

We watch the movie
I relate to the hero
hero is a He

We should all travel
to A Perfect World™
hope they'll let us in

What are you wearing?
I am wearing nothing, you?
Just wearing my shame

Let them do the work
if they want it so badly
the white western males

She didn't have a flu
she was just allergic to
the perfume of vain

Waterworld is near
we have a raft of timber
it's gonna be good

I'll die old as fuck
leaving nothing behind but
my filthy caché
